

euro-shred

confidential data destruction

- Security sacks & storage containers supplied to suit each company's individual requirements
- No need to remove staples, paper clips, ring binders or lever arch folders
- All types of materials can be shredded including Corporate Wear/ Clothing, Microfiche, Computer Hardware/Software, Contraband Goods etc.
- All Euro-Shred personnel are strictly security-vetted.
- All collection vehicles are in radio contact with our Depot
- The full destruction process of the Confidential Waste at our depot can be viewed if required.
- The Depot is secured by an ABC intruder alarms system connected directly to Suffolk Police Headquarters and is regularly serviced by NACOSS Approved Engineers.
- All operation procedures are carried out to the stringent standards of UKSSA, our highly selective trade association.
- Euro-Shred is fully Insured for efficacy and contractual liability against loss or damage to tangible property held in trust
- All National accounts are administered and controlled by Euro-Shred. Any contracts undertaken by Euro-Shred outside the East Anglia region are operated only by UKSSA fellow members on behalf of Euro-Shred.
- All areas with IP & CO postcodes covered with a next day collection service.
- Local family owned business established over 30 years offering a personal, friendly and professional service.

Ask us about your special destruction needs.

If you are uncertain about what to destroy securely then the following questions may be of some help:

Would your competitors benefit if they found your records?

Would your customers want to discover their confidential matters had been carelessly discarded?

What damage could occur to your company if confidential data were disclosed?
